Dr V C Velayudhan Pillai : A Tribute

(7th April 1940 – 30th July 2017)

1992-1993 National President, IMA

1995 President CMAAO

Dr. B C Roy Awardee

IMA Family has lost a Legend, an Icon, a Father figure, a dedicated IMA Leader, whose exemplary life will always be torch bearer for IMA workers.

His physical body may not be with us but he will remain the collective consciousness of IMA. His service of over 25 years as the active Past National President will be written in the history of IMA. A person who never missed a central working committee or a central council even after relinquishing as the Past National President during this period needs to be remembered every day as one of the IMA ICONS of the country. He was also the first one to link IMA with International scenario and served as President of CMAAO.

IMA cannot give anything to a person like him, but atleast, in his memory Team IMA announces the following resolutions:

1. All National Past Presidents of IMA shall be given National Honour after their physical body leaves IMA.
2. Dr V C V Pillai Memorial Annual Address” shall be delivered at the installation ceremony on 28th December, as a part of the IMA Foundation Day.
3. IMA, in his memory has launched a National Program “Physician’s health first” and the period 30th July to 5th September every year shall be observed as a period for all IMA members to have their physical check-up done.
