IMA - Message

National President (IMA)

Dr. K.K. Aggarwal
Hony. Secretary General (IMA)

Greetings from Indian Medical Association (HQs.)!

Delhi, the capital of our country has the pleasure of hosting the 90th IMA National Conference – IMA NATCON-2015 alongwith the 76th Annual meeting of the Central Council of IMA after a gap of nearly 30 years at Hotel Le-Meridien, New Delhi on 27th & 28th December, 2015. Delhi Medical Association, the State Branch of IMA at Delhi has been awarded to host the same.

Besides the need of regular medical updates due to latest innovations arising out of development of newer strains of infection causing organisms, the medical profession is at a point when the very existence and sustenance of the profession is at the highest level of risk due to various reasons including political compulsion, diminishing opportunities of handsome livelihood and increasing threats to life and property of medical professionals.

The meeting of the Central Council has been carefully planned as a pure business meeting to take care of the above issues and all others as brought to us by our esteemed colleagues.

It gives us utmost pleasure to invite you on behalf of the Organising Committee of IMA NATCON-2015 to come and enjoy the various offerings of tourist interest alongwith social extravaganza and academic bonanza to be presented by the carefully selected blend of faculty having immense expertise in the field of modern medicine.

We are sure that under the leadership of Dr. Vinay Aggarwal, Chairman, Organizing Committee and Dr. Ajay Lekhi, Conference Chairman, the conference will be a historic event leaving great reminiscences for times to come.

Looking forward to have you with us in the conference and hoping to provide the best hospitality.

With kind regards,
