RENEWAL REPORT
(COMPLIANCE VERIFICATION)
MEDICAL COUNCIL OF INDIA

Name of institution : Gian Sagar Medical College & Hospital
Address : Ramnagar ,Banur , Patiala ,Punjab
Telephone no. : 01762-520006, 507744
Fax : 01762-520007, 507759
e.mail : gsmc@yahoo.com
Website : www.giansagar.com
Management : Gian Sagar Educational & Charitable Trust
Date of present inspection : 22 - 3 - 2010
Date of previous inspection (if any) : 11-12, Jan 2010
Council Communication : No. MCI- 34(41)/2010-Med./620
Dated 20 - 3 - 2010

Type of inspection :

Gian Sagar Medical College, Ramnagar Banur , Dist. Patiala , Punjab –
Renewal of Permission for admission of 4th batch of Students for the academic session
2010-11 (Verification of Compliance) .

	1	Dr. Suresh C. Shah, Additional Inspector, Medical Council of India , New Delhi.110 077
	2	Dr Savitha C Professor of OBG, BMC , Bangalore
	3	Dr S S Minhas, Professor of Surgery, IGMC , Shimla

University with which the institution is affiliated: Baba Faridkot University of Health Sciences , Faridkot has affiliated the College for the academic years 2009-2010. It is valid up to 2009-2010.The affiliation for 2010-11 is awaited.

Essentiality Certificate : The Government of Punjab has granted essentiality certificate vide its letter No. 2/60/06 / 6HB III / 3348 dated 20-6-06 .

The observations and remarks on the compliance submitted by the college are as under :-

Deficiencies pointed out in inspection report dated 11-12, January 2010	Compliance sent by the institution dated 2-3-2010.	Observations/comments by Council Inspectors dated 22-3-2010
The college runs DNB courses in the subject of Ophthalmology and Medicine.	This is to inform that the institution has not yet started DNB courses in the subject of Ophthalmology and Medicine though institute was permitted by National Board of examination to start the same. In this regard the letters written to National Board of examination by the Principal Gian Sagar Medical College & Hospital are enclosed as Annexure-1 which is self explanatory and clearly informing the National Board that institute will not start DNB courses in the subject of Ophthalmology and Medicine. Hence the deficiency has been rectified.	Rectified
The radiology department has 3 static and 3 mobile units against the requirement of 5 static and 5 mobile units.	Department of Radiology has been equipped with the additional following static and mobile X-Ray machines. <ol style="list-style-type: none"> 1. 500 mA (one static) 2. 300 mA (one static) 3. Two mobile X-Ray machines of 100 mA each. The above said machines have been duly completely installed and installation certificate by the supplier alongwith the supply order are enclosed as Annexure-2 Now the Radiology department has 5 static and 5 mobile functional X-ray Units. Hence the deficiency has been removed.	Rectified

<p>Animal House: There is no facility for demonstrating experimental work on animals by Computer aided education.</p>	<p>The Institution has got computer assisted facility for demonstrating experimental work on animals by Computer aided education materials from following suppliers:</p> <ol style="list-style-type: none"> 1. Indian Pharmacology Society. The Chambers, 3rd floor, Sarkej – Gandhinagar Highway, Bodakdev, Ahmedabad. The software is used for demonstrating experiments on frogs, rabbit, G. Pig, dog, for cardiovascular, ophthalmic, bioassay, physiological responses of various body systems etc. 2. Nirali Parkashan, 1312, Abhyudaya Pragati, Shivaji Nagar. This is X-cology software containing computer assisted detailed video presentations, research and experimental simulations, random number generation, experimental design, statistical analysis and physiological experiments. 3. Companion Animal Anesthesia & Surgery distributed by Indian Journal of Pharmacology. The Chambers, 3rd floor, Sarkhej – Gandhinagar Highway, Bodakdev, Ahmedabad This CD gives computer assisted demonstration of Anesthesia to small animals. 4. Simulation in Experimental Physiology by Nageshware & Rajiv Sharma. City Book Shop, Sector 17, Chandigarh. The CD gives computer assisted simulations in experimental Physiology on small animals. Various physiological functions are covered in this CD. 5. Christ Church Hospital, Private Bag, 4710, New Zealand we have been authorized to use this facility online. This computer assisted simulations covers pharmacological and 	<p>Rectified</p>
---	--	------------------

	<p>physiological concepts in interactive manner on drug clearance, Drug Elimination, Volume of distribution, Half life, dosing schedule, bio availability, pregnancy and drugs etc. These are being demonstrated to the students. Hence the deficiency has been removed.</p>	
<p>There is no provision for E-class. Lecture hall does not have facility for conversion in to E-class/virtual class for teaching.</p>	<p>Lecture hall has facility for conversion into E-class/virtual class for teaching along with provision of E-class which have been fully completed and is functional. The necessary video cameras have been installed. The students can access the lectures from any part of the world by linking to the website. Annexure-3 Hence the deficiency has been removed.</p>	Rectified
<p>Central Library: The Central library is not air-conditioned. Medlar is not available. Skill Lab. is not available. College requires to adopt information technology in teaching medicine. Provision for e-library is not available.</p>	<p>The Central library has been made completely air-conditioned by installing 18 split air-conditioners. The facility of Medlar is available. Skill Lab is available. Thus the college has information technology by the way of Audio-visual aids, CD's on various topics, Pre and Para clinic theory, lecture and demonstration, etc., Necessary documentary proof are enclosed as Annexure - 4 Hence the deficiency has been removed</p>	Rectified

5. The hospital is functional since 5 ½ years. .
6. Available clinical material is as under:-

Clinical Material Available		Daily Average 1 - 9 - 09 to 28- 2 - 10		Day of Inspection 22 - 3 - 10	
O.P.D. attendance		749		871	
Casualty attendance		67		54	
Bed occupancy %		83 %		86 %	
Admission / Discharge		63 / 63		84 / 75	
Operative work					
1	Major surgical operations	18		16	
2	Minor surgical operations	33		38	
3	Normal deliveries	2		1	
4	Caesarian Sections	1		nil	
Radiological Investigations		OP	IP	OP	IP
1	X-ray	102	21	125	18
2	Ultra-Sonography	35	8	37	3
3	C.T. Scan	3	1	3	2
4	Special Investigations	2	1	2	1

Laboratory Investigations					
1	Biochemistry	409	143	560	130
2	Microbiology	32	13	37	6
3	Serology	46	13	53	3
4	Parasitology	33	1	42	nil
5	Hematology	244	211	415	197
6	Histopathology	1	4	nil	6
7	Cytopathology	8	1	10	2
8	Others	116	74	164	60

7. The shortage of teaching staff is as under:-

A. Shortage

a	Teaching Faculty	3 Out of 117	2.56 %
i	Professor	2	Ped-1, TB-1
ii	Associate Prof.	nil	nil
iii	Assistant Professor	1	Stat-1
iv	Tutor	nil	nil
b	Residents	Nil of 85	Nil %
i	Sr. Residents 18	nil	nil
ii	Jr. Residents 24	nil	nil

B. Staff who have joined in Last Inspection

Sr No	Name	Designation	Department	DOJ
1.	Dr. Garima Baradia	Senior Demonstrator	Biochemistry	11-02-2010
2.	Dr. Rishi Nabh	Demonstrator	Biochemistry	08-02-2010
3.	Dr. Ravinder Kaur	Demonstrator	Microbiology	01-01-2010
4.	Dr. Priyanka Baweja	Demonstrator	PSM	16-02-2010
5.	Dr. Youven Rai	Demonstrator	PSM	18-03-2010
6.	Dr. Manpreet Kaur	Junior Resident	General Medicine	01-01-2010
7.	Dr. Mohit Arora	Junior Resident	General Medicine	05-03-2010
8.	Dr. Rohit Rattan	Junior Resident	General Medicine	05-03-2010
9.	Dr. Vikas Goyal	Junior Resident	General Medicine	16-03-2010
10.	Dr. Aditi	Junior Resident	Psychiatry	14-01-2010
11.	Dr. Mahesh Goyal	Junior Resident	Psychiatry	15-02-2010
12.	Dr. Amandeep Singh	Junior Resident	Psychiatry	18-02-2010
13.	Dr. Navreet Kaur	Junior Resident	Pediatric	13-02-2010
14.	Dr. Vipin Kumar	Junior Resident	Surgery	13-02-2010
15.	Dr. Vikas Taneja	Junior Resident	ENT	13-02-2010
16.	Dr. Rameshwar Gupta	Senior Resident	Radio-Diagnosis	09-03-2010
